

COURSE ANNOUNCEMENT

LESS LETHAL INSTRUCTOR'S COURSE

(Calif. POST Plan IV)

DESCRIPTION

This two day comprehensive course will develop students as agency instructors in the use of less lethal munitions and launchers. Topics of instruction include instructor development, use of force and liability issues, the different types of munitions and launchers currently available, tactical considerations, deployment procedures, suggested less lethal policy concerns, medical issues and proper documentation. During this course, students will be required to prepare a short lesson plan and demonstrate their ability to instruct others within a classroom setting. Students will also have to pass a written test as well as demonstrate proficiency with their agencies approved less lethal munitions and launchers. California POST Plan IV. 1076-30985-08001
